Welcome to the 2020 Fall Season at International Chess Academy (ICA) Kids Online

For over 20 years, International Chess Academy (ICA) has been offering chess lessons to students of all levels, as well as chess tournaments, scholastic camps, and math enrichment programs from our New Jersey campuses in Glen Rock and Teaneck.

Since the start of the COVID-19, ICA has made the transition to virtual education, and now offers the entire curriculum to students online.

Welcome to **International Chess Academy (ICA) Kids Online!**

Our mission is to foster a safe and nurturing environment as well provide a vibrant community for children to learn chess, train for competition, develop self-confidence, master decision-making skills and practice good sportsmanship, all while having fun.

If you are interested in an after-school or weekend class, register @ icakidsonline.com, Call 201797-0330, or Email us @chessdirector@icanj.net
